

ON SET MULTIFUNCTIONS WITH THE DARBOUX PROPERTY

A. Croitoru

"Al. I. Cuza" University of Iasi, Faculty of Mathematics,

Bd. Carol I, No. 11, Iasi-700506, Romania

`croitoru@uaic.ro`

We extend the Darboux property to set multifunctions and establish relationships between the Darboux property and non-atomicity in the set-valued case.
