Associate Professor

Minsk, 2018

ABSTRACT

The subject of the study of the work is the peculiarities of communication between Belarusian student organizations and government bodies and state organizations.

The object of the research of the graduate thesis is the youth organizations of the Republic of Belarus. The purpose of the graduate thesis is to analyze the peculiarities of the relationship between Belarusian youth organizations and bodies of state administration and state organizations on the example of student organizations. The methodological basis of the graduate thesis was made by general scientific methods: the method of analysis and synthesis, the method of induction and deduction, the descriptive method and comparison method, and the method of unstructured interview.

In the process of writing the graduate thesis, the following results were obtained: the features and main channels of communication of student organizations with bodies of state bodies and state organizations were revealed.

The novelty of the results is due to the poorly understood specifics of communication between student organizations and bodies of state bodies and state organizations. The obtained results are characterized by wide possibilities of theoretical and practical application. Materials of the graduate thesis can be applied in the educational process, as well as in the formation of the strategy of GR-activities of youth organizations, in the organizations studied.

The results of the graduate thesis were obtained on the basis of reliable materials and independently conducted theoretical and practical studies.

Key words: political communication, youth public organizations of Belarus, student organizations, Government Relations, GR, lobbyism, Student Union.
