**LEGO® toys build anything.
Especially pride.**

Children can build whatever they imagine with new LEGO® Universal Building Sets. The sets for little ones are designed to help build playful imaginations. This sets for older children have special pieces for imaginative but more realistic building.

And for children of all ages, whatever they build with LEGO® sets will always make them feel fun foot tall.

**Oh the fun of creating
something you're this proud of.**

Children love to create. Things they've seen before—things they've never seen before. Whatever it is, there's great fun and a feeling of accomplishment in making it come to life.

And when they're finished, and it's just right, they'll come show it to you with pride. That's fun, too. Fun for them. Fun for you.

LEGO® Universal Building Sets give your children the

Universal Building Sets.
